

ENSL Reflection and Extension

Monday, July 6

Ethical Leadership

The purpose today is to connect the Leadership Standards and the Planning Guide as well as utilize the portfolio in Better Educate.

The purpose today is also to reflect collaboratively and review the Planning Guide.

1. Upload evidence and notes

20 min

- Upload evidence to your portfolio from the Planning Guide that reflects the
Action Statement: Foster a safe and inclusive environment focused on student learning.
- Upload evidence to your portfolio from the Planning Guide that is relevant to the
Action Statement: ensures that acts, laws, regulations, policies, collective agreements, and enhancement agreements govern your decisions and action
- Upload the Ethical model to your portfolio in the
Action Statement: Develop and implement protocols and processes based on an ethical framework.

2. Collaborative Reflection Response re: Action Statements of the Day

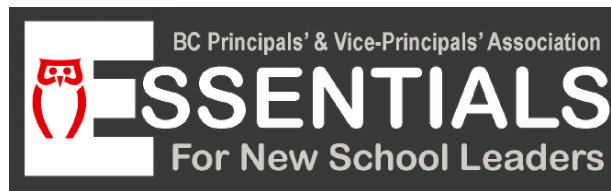

20 min

- In the light of your context and the current times, consider and reflect on how the above action statements and what you learned today will influence your leadership in your preparation for and first months of the new school year. Identify one burning question you have. Review the reflections of others, feel free to respond.

3. Planning Guide review Section 1 and 2

20 min

- Use the fillable graphic organizer to respond to these three questions:
 - What stands out as most relevant to you in this section?
 - What did you learn that you did not know previously?
 - What burning question do you have?

ENSL Reflection and Extension

Tuesday, July 7

Instructional Leadership

The purpose today is to connect the Leadership Standards and your experience as well as utilize resource function in Better Educate.

The purpose today is also to reflect collaboratively and review the Planning Guide.

1. Upload evidence and notes

20 min

- Upload an instructional leadership resource from your experience that reflects the **Action Statement: Engage in ongoing and targeted conversations regarding the progression of learning and the Action Statement: Deepen the understanding and integration of the current curriculum.**
- Upload evidence to your portfolio from the Planning Guide that reflects the **Action Statement: Continually and collaboratively plan, monitor, and review the effectiveness of instruction and the Action Statement: Understand and ensure appropriate processes are followed for staff evaluation, investigation, and discipline.**
- Think about and be prepared to share and discuss examples of equity on Wednesday based on the **Action Statement: Create an inclusive school that recognizes and values diversity.**

2. Collaborative Reflection Response re: Action Statements of the Day

20 min

Action Statement: Engage in ongoing and targeted conversations regarding the progression of learning

Action Statement: Deepen the understanding and integration of the current curriculum.

Action Statement: Continually and collaboratively plan, monitor, and review the effectiveness of instruction.

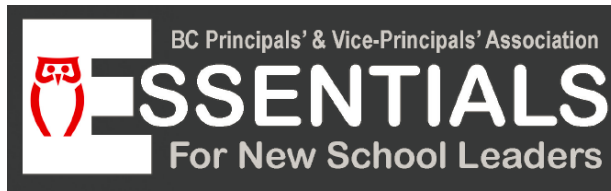

Action Statement: Understand and ensure appropriate processes are followed for staff evaluation, investigation, and discipline.

- In the light of your context and the current times, consider and reflect on how the above action statements and what you learned today will influence your leadership in your preparation for and first months of the new school year. Identify one burning question you have. Review the reflections of others, feel free to respond.
