

Janet Williams

Principal – Watson Road Elementary

S.D. #23 – Central Okanagan

She is a learning leader – She believes that learning is something that happens everywhere and all the time. Since 2007 she has been an Elementary Principal both in SD#57 and SD#23 who continues to view all challenges as opportunities to grow.

She is blessed to be living in the Okanagan and working in Kelowna at a K - 6 school with 600 students.

She enjoys collaborating with colleagues to design engaging, powerful and purposeful learning moments for students, staff, and our community.

Favourite Inspirational Quote:

"...we need to work to establish a culture of collaborative professionalism in which teachers develop and grow day by day through feedback and joint work in which student and teacher learning and well-being form a mutual feed for the betterment of society." - (Fullan & Hargreaves, "Bringing the Profession Back In", 2016)
