

## Darren Danyluk

BCPVPA President

Darren Danyluk, a Principal in the East Kootenay town of Invermere, began the second year of his two-year term as President of the BC Principals' & Vice-Principals' Association on July 1, 2021.

While he was born and raised in Metro Vancouver and attended Simon Fraser University, Darren was charmed by the pace and lifestyle of rural BC. What he originally planned as a three-year departure from Vancouver has extended to 33 years.

Darren spent 11 years as a high school English teacher and counsellor in Fort St. James and became a Secondary Vice-Principal there in 1995 before settling with his family in Invermere three years later. Through his time as a Vice-Principal and a Principal, Darren has continued to teach secondary language arts courses – primarily English 11 and 12 – and has continued to learn, achieving a Master's in Administration and Supervision at Gonzaga University
